Jaya Mitra

Writer, Editor & Environmentalist

About College

Ranaghat College is one of the premier institution of higher education in the district of Nadia in West Bengal. It is a Government Sponsored General Degree College affiliated to University of Kalyani and situated in the convenient locality of Ranaghat which is well-connected with other parts of the district as well as the state of West Bengal by roads and railways. The college saw the light of day in 1950 and since then it has been catering to the needs of students of the locality by imparting them the state-of-art education in Arts, Science and Commerce at the undergraduate level.

About Department of Geography

So far as the Department of Geography is concerned, it is equipped with well-ventilated classrooms and well-stocked library. The department has completed almost two decades successfully since the introduction of Honours course and produced several Honours graduates who have secured lucrative position in their professional career. The devoted teachers are always eager to take the department to a great height with their innovative ideas and diverse activity. Besides teaching, teachers are also engaged in active research.

As the college has been closed due to the outbreak of Covid-19 pandemic and lock-down for a long period, it becomes necessary to carry on the academic activity online at present. For this purpose, it has been decided by the teachers of the department to organize a webinar with the help of reputed scholars on a relevant topic for the benefit of students and teachers of Geography. The co-operation and participation of the willing teachers and students are hereby earnestly solicited to make it a great success.
