FROM THE PRESIDENT'S DESK

GB, Ranaghat College

Ranaghat College constitutes the heart of educational entity of Ranaghat. This institute of higher education is an asset of Ranaghat producing thousands of graduates every year. The college opens the gateway of higher education to more than fourteen thousand male and female students belonging to various sections of society. The students passing out of this college acquired coveted position in their professional life. It is my honour and privilege to become the President (GB) of the institution like Ranaghat College and I will continue to make effort to provide the congenial academic milieu to boys and girls to fulfill their dream.

I wish earnestly an all-round success to my students and convey my best wishes to teachers, non-teaching staff and all other stakeholders of this college.

Sri Kajjwal Kumar Chattopadhyaya of Ranaghat, Nadia passed away on 14th June, 2020. He was always passionate about social justice and activism. He was a teacher by profession and board member on several local organizations and also served as a councilor in the Ranaghat municipality. He was an active member of his community and fervently fought for the rights of the underserved and overlooked in his local community. He dedicated much of free time to social welfare and justice in the Ranaghat area. Shri Kajjwal Kumar Chattopadhyaya was a GB member (Government nominee) of Ranaghat College from March, 2018 and closely associated with all round development of this institution. He will be remembered by all the staff members of this college for his effort and dedication and for hstakeholders of this college.

FROM THE PRINCIPAL'S DESK

Dr. Arup Kumar Maiti (Principal)

Ranaghat College is a pole star guiding the bark carrying the aspirants of higher education to their career-oriented destination. It has stretched its wings into 70th year soaring high in the realm of higher education. Thousands of students of Ranaghat and its adjacent villages and towns are able to materialize their dream after passing out from this college. Its sprawling campus, three separate wings of Arts, Science and Commerce, spacious and well-ventilated classrooms, well-equipped laboratories, well stocked library provide congenial academic atmosphere to students. The college caters to the needs of students desirous of receiving state-of-art education. The devoted teaching staff, students-friendly office and its staff and digitized functioning assist greatly in the advancement of learning and other academic activity of college. There is adequate facility for students to opt for Honours course in almost all subjects of Arts, Science and Commerce. Along with academic development, the students of college facilitates the athletic activity of students. Being a co-education college, there are separate common-rooms and other amenities for female students. Keeping pace with the modern development in higher education, a number of seminar halls, Smart classrooms, projectors and other such facilities have been made available to students in college. Financial and academic aid is also provided to poor students.

Ranaghat College is affiliated to Kalyani University and is situated in the heart of the town. Due to its convenient location, students have an easy access to college by all means of transport. Besides the degree courses, college also offers Postgraduate course in Bengali. In college, there are centers of IGNOU and DODL which offer distance education.

I am willing to promote value-based education which will be aslo helpful for students for their advancement of career. I have much pleasure to state that the authority, teaching and non-teaching staff and students of Ranaghat college have shown humanitarian attitude by contributing the largest amount colleges in West Bengal of Chief Minister's Relief fund to help the affected people in the wake of Corona. I welcome all the eligible students of college and wish them success in future.

PROFILE

The independence of India in 1947 was coupled with the tragic partition of Bengal. Thousands of rootless people swarmed into West Bengal to start life anew. Nadia is one of such districts, which accommodated a large section of displaced persons. Ranaghat, along with other principal towns of Nadia had to provide shelter to most of the refugees. In such a situation, a few educationists dreamt of disseminating the fruits of higher education among the people of the surrounding areas. It was thus that Ranaghat College made its humble beginning in a small room of Pal Chowdhury High School in 1950, with affiliation to Calcutta University. Later it was shifted to its present premises by the National Highway 34. The College, located on a land of 4.68 acres, is well connected by road & railways and ever since its inception it has been instrumental in serving students from, all section of the society irrespective of caste, creed & religion. Presently affiliated to the University of Kalyani, Ranaghat College offers three undergraduate programmes leading to B.A., B.Sc and B.Com degrees with honours, major & general courses. Ranaghat College also offers regular Master course in Bengali under the University of Kalyani and DODL under the University of Kalyani in Bengali, English, History & education from the year 2014. Ranaghat College is operating a regular study centre of IGNOU the Central University with U.G.P.G. certificate & diploma courses.

The eight existing buildings of the College have several rooms including lecture halls, practical laboratories for science subjects, one laboratory in the department of geography, english language laboratory, two computer centres, a central library apart from several departmental libraries, canteen, play ground, open air stage, separate common rooms for girls & boys, NSS & NCC rooms, students' union rooms, adequate facilities for football, cricket, badminton & volley ball, a newly established computer room with internet connectivity and an arboretum. Ranaghat College has been assessed & accredited by NAAC in the year 2007 & awarded "B+" grade.

OBJECTIVE

The prime objective of the founders of Ranaghat College was to elevate the socio-economic condition of the people of the surrounding areas by providing them with the opportunity to avail higher learning. The College has not deviated from its original goal but with the passage of time it has certainly broadened its scope. Besides exerting thrust on learning, the College looks forward to

1. Inculcating social responsibility among students.
2. Developing self-esteem among the first generation students of SC & ST communities.
3. Promoting inter-disciplinary study.
4. Encouraging students to participate in co-curricular & various cultural activities.
5. Imparting the conception of parliamentary system, democratic attitude & constitutional bindings among students.
6. Creating sense of discipline among students.
7. Helping students to become responsible citizens of India.

Education is not amount of information that is put in to your brain & runs not there undigested, all your life. We must have a life building, man-makeing, charecter building assimilating fine ideas making them your life and charecter, you have more education than any who got by whole library.

– Swami Vivekananda
