Action taken on the basis Student Feedback (2018-2019)

The teaching faculty of college as well as the college authority has taken the following decision on the basis of feedback to make further improvement:

1. An effort has been made to impart meticulous details of curriculum to learners within the limited timeframe to bring about 100% satisfaction levels of learners.
2. Arrangement has been made to improve the system of internal examination and evaluation of answer-scripts as per requirements of learners.
3. Various sporting activities, diverse cultural programs and other extracurricular activities have been organized to provide opportunity to learners to show their talent and develop their personality.
4. A few classrooms have been constructed to accommodate all students conveniently.
5. Library has been enriched further through procuring journals and relevant books.

Action taken on the basis Student Feedback (2019-2020)

The teaching faculty of college as well as the college authority has taken the following decision on the basis of feedback to make further improvement:

1. As normal academic activities have been paralyzed due to COVID and lockdown in the last quarters of the session, the proper arrangement has been made quickly for online classes and examination in the interest of learners.
2. The teaching faculty has decided to bring about improvement in the semester plan and mode of internal examination and evaluation for the benefit of all learners.
3. For extracurricular activities, some cultural programs and other programs have been organized online for diversion of learners as it is the period of lockdown.
4. An effort has been made to procure e-resources for the library during the period of lockdown to provide academic facility to learners.

Action taken on the basis Student Feedback (2021-2022)

1. The teaching faculty of college has taken into account the grievance regarding the completion of syllabus and decided to chalk out ways and enhance the number of classes to complete the whole syllabus in time for the benefit of learners.
2. In order to redress the grievance of learners regarding the facility of library, the collection of books in the library has been updated and effort has been made to provide the willing learners the facility of reading room and e-resources.
3. The internal test and evaluation has been planned properly to meet the requirement of learners.
4. More sporting activities and other programs have been organized in the interest of learners.
