DISTINCTIVE FEATURE OF COLLEGE

Games and sports make learners fast, sharp and strong. The athletic activities develop sportsman spirit in learners and play a vital role in turning them into active, bold and bona fide citizens in future. Hence the sporting events have gained special attention of the stakeholders of college. The distinctive feature of college is reflected through the exemplary performance of the learners of college in sporting activities. The sporting events and various kinds of games continue round the year in college. The dedicated teacher of Physical Education and the Games and Sports committee make necessary arrangement and provide the required facility and guidance to players and budding athletes of college. Both indoor and outdoor games and athletic events are given a boost by the college authority. The large playground of college witnessed various kinds of tournaments namely interclass cricket and football tournaments, volleyball tournaments, badminton tournaments and athletic meet at regular interval in last few years. Learners participate in Kho Kho and Kabaddi matches too with great enthusiasm. In the first week of January every year, Students' Week is celebrated in college. During the celebration of Students' Week, a number of games and sports events are organized to encourage learners and motivate them for their participation in such events for both physical fitness and entertainment. The celebration of Students' Week motivated a large section of learners to participate in games and sports and improve their performance. Cricket and Volleyball matches were played between teachers and students too during the celebration for the motivation of learners. The requisite materials for games and sports are available in college and learners are strongly motivated to practice hard and put up their best performance in tournaments. Along with male learners, the female students of college have also displayed their keen interest and a progression curve in respect of their performance in games and sports. In previous years, a number of tournaments and sporting events were organized at university and state level. In the event of relay race a few years ago, female learners of college represented the state in an interstate event of eastern region and secured a coveted position. In last five years, both male and female learners of college won prizes in different sporting events very often in intercollege football matches and sports meet organized by University of Kalyani. As learners from adjacent villages and towns get admitted to college, their progress in games and sporting activities impact a large section of people in the district and in this way, college contributes a lot to the development of games and sports of Nadia district. The National Athletic Day is observed every year in college on 29th August to commemorate the achievement of Hockey legend Major Dhyan Chand and inspire the budding athletes of the institute to better their performance. The institute has envisioned to push forward its sports-oriented venture in order to enable learners touch the Olympian height in the realm of games and sports in time to come.

"Inter College State Sports & Games Championship, 2023-24" আমাদের রাণাঘাট কলেজের খো-খো
 টীম ভালো খেলেও বগুলা শ্রীকৃষ্ণ কলেজের কাছে সেমিফাইনালে হেরে গিয়ে টুর্নামেন্ট থেকে ছিটকে যায়।
 কিন্তু খো-খো টীমকে আগামীদিনের জন্য অনেক শুভেচ্ছা থাকবে কারণ এই টীমের ভবিষ্যতে বহুদূর
 যাওয়ার সম্ভাবনা আছে।

খো-খো সেমিফাইনাল খেলা রানাঘাট কলেজ / বঙ্গলা স্ট্রীক্ৰীড কলেজ।
