NAAC Accredited 'B+' Grade

From The

President's Desk

G. B. Ranaghat College

Welcome to Ranaghat College. It is a privilege to lead such an outstanding institution of higher learning. Ranaghat College constitutes the heart of educational entity of Ranaghat. This institute of higher education is an asset of Ranaghat producing thousands of graduates every year. The student is the most important person on campus.

We create opportunities and inspire students to achieve their goals. The students passing out of this college acquired coveted position in their professional life. I will continue to make effort to provide the congenial academic milieu to boys and girls to fulfill their dream.

I wish earnestly an all-round success to my students and convey my best wishes to teachers, non-teaching staff and all other stakeholders of this college. I encourage you to visit our campus and learn more about the opportunities available to you at Ranaghat College.

Dr. Arup Kumar Maiti
Principal

I feel privileged to bring out the prospectus of Ranaghat College for the session 2022-2023 of making students aware of the provision and facilities available in the college. The college, which is situated in a small town in the district of Nadia, has been providing service to the locals in the field of higher education of Ranaghat and adjacent area. It was assessed and accredited by NAAC in 2018. It aims at making a student sharper, faster and stronger, so that he/she may become a great achiever in future. The college is affiliated to University of Kalyani and both General and Honours courses are provided to learners who serve options for choice from a variety of subjects of Arts, Science and Commerce according to their needs and suitability. Students have the opportunity to join the postgraduate course of Bengali in this college. Apart from the regular courses, the college also provides the opportunity of distance learning to students under the auspices of DODL and IGNOU offering various Degree and Postgraduate courses. The college is well-connected with other towns and villages by roads and railways. It has adequate number of classrooms, well-equipped laboratories, seminar halls, Smart Classrooms, well-stocked library and reading room, a central computer room, a large auditorium and a large playground to facilitate the academic and extracurricular activities of students. The N.C.C. units of boys and girls help in bringing about the development of physical and disciplinary aspects of the students of college. The N.S.S. units of boys and girls help in the growth of social consciousness of students. Presently, there are separate buildings for Arts, Science and Commerce departments, along with an administrative building for official works. The college is committed to impart state-of-art education to students in order to empower their minds to meet the challenges of the modern world. The vigilant authority, dedicated teachers, considerate non-teaching staff and student-friendly environment of college are conducive to the healthy growth of students and their academic development. Being co-education college, it provides special facilities to female students in respect of common rooms and toilets. The college authority is careful of providing safe drinking water to students and has made such arrangement. It is aware of the humble socio-economic condition of the common people of the locality and for this reason special financial assistance and academic incentives are provided to the poor and meritorious students. It also ensures that the deserving students must avail scholarships funded by the Government of West Bengal and other agencies. The college authority is determined to bring about the all-round development of learners and the institute. It is stepping ahead with its infrastructural development, digital facilities and academic expertise and excellence. On behalf of all teachers and the members of non-teaching staff of Ranaghat college, I welcome all the eligible students, including those from the poorest background, to this college and wish their success in the race of life. All stakeholders, including the guardians of learners are cordially welcome to college for the betterment of the institute.

PROFILE

The independence of India in 1947 was coupled with the tragic partition of Bengal. Thousands of rootless people swarmed into West Bengal to start life a new. Nadia is one of such districts, which accommodated a large section of displaced persons. Ranaghat, along with other principal towns of Nadia had to provide shelter to most of the refugees. In such a situation, a few educationists dreamt of disseminating the fruits of higher education among the people of the surrounding areas. It was thus that Ranaghat College made its humble beginning in a small room of Pal Chowdhury High School in 1950, with affiliation to Calcutta University. Later it was shifted to its present premises by the National Highway 34. The College, located on a land of 4.68 acres, is well connected by road & railways and ever since its inception it has been instrumental in serving students from all sections of the society irrespective of caste, creed & religion. Presently affiliated to the University of Kalyani, Ranaghat College offers three undergraduate programmes leading to B.A., B.Sc and B.Com degrees with honours, major & general courses. Ranaghat College also offers regular Master course in Bengali under the University of Kalyani and DODL under the University of Kalyani in Bengali, English, History & education from the year 2014. Ranaghat College is operating a regular study centre of IGNOU the Central University with U.G.P.G. certificate & diploma courses.

The eight existing buildings of the College have several rooms including lecture halls, practical laboratories for science subjects, one laboratory in the department of geography, English language laboratory, two computer centres, a central library apart from several departmental libraries, canteen, play ground, open air stage, separate common rooms for girls & boys, NSS & NCC rooms, students' union rooms, adequate facilities for football, cricket, badminton & volley ball, a newly established computer room with internet connectivity and an arboretum. Ranaghat College has been assessed & accredited by NAAC in the year 2007 & awarded "B+" grade.

OBJECTIVE

The prime objective of the founders of Ranaghat College was to elevate the socio-economic condition of the people of the surrounding areas by providing them with the opportunity to avail higher learning. The College has not deviated from its original goal but with the passage of time it has certainly broadened its scope. Besides exerting thrust on learning, the College looks forward to

1. Inculcating social responsibility among students.
2. Developing self-esteem among the first generation students of SC & ST communities.
3. Promoting inter-disciplinary study.
4. Encouraging students to participate in co-curricular & various cultural activities.
5. Imparting the conception of parliamentary system, democratic attitude & constitutional bindings among students.
6. Creating sense of discipline among students.
7. Helping students to become responsible citizens of India.

STATUTORY BODIES

1. 17. Students of the vocational courses will get similar privilege gen. major courses.
18. Candidates passing with 4 subjects are not allowed admission in 3yr. degree courses.
19. Candidates passing h.s. equivalent exam. are allowed admission within 3 consecutive academic session including the passing year after which eligibility is lost.
20. Candidates seeking readmission in the consecutive next year require to get themselves admitted within the last date of admission of the regular students.
21. 2% marks will be deducted from the aggregate (sum of best 5 subject) for loss of each year in case of admission to undergraduate courses.
22. Classes of 2nd to 5th Semester commence just after the completion of the previous examination.
23. Eligibility for admission into sport quota : Certificate from the state associations / state bodies or from the district officer for physical education shall only be accepted. Participation in college univ. games & sports is mandatory for them.
24. Ragging is punishable offence & disciplinary action may go to the extent of expulsion from the college as per supreme court order.

FACULTY

Most of the faculty members possess ph.d. degree. Department of chemistry & physics can boast of their post-doctoral fellows from foreign research institutes universities as well as from other indian research institutes. All science departments have undertaken major minor research projects and their progress has been reflected in publications, presenting papers & participation as visiting fellows. Moreover many faculty members from arts, science & commerce departments work as resource persons in different academia.

LIBRARY

The well-stocked central library of the college is newly furnished. The modern method of cataloguing has already been introduced, the computerization of the library is in progress. The library has a collection of over 14,000 books having more than 4500 titles. The library remains open from 7.00 am to 5.00 pm on all working days. The library subscribes to a number of reputed journal & newspapers. Inside the library there is provision for reading. Books are purchased every year keeping in mind the needs of the students as well as the research & development in different subjects. In addition to the central library there are different departmental libraries as well. The college is going to extend soon the library building to accommodate more books, spacious reading room & installation of computers with internet connection for the benefit of students. A reprographic machine has been installed inside the library. The college provides facilities of 6 journals & several periodicals also. Book bank facility is available.

COMMON ROOM

There are separate large common rooms for boys & girls for their entertainment with facilities like carrom & table tennis.

CANTEEN

A spacious students' canteen has been newly constructed that caters tea, snacks & food to students at an affordable price. It remains open only during the college hours.

FOOR AND MERIT FUND

The poor & merit fund enables poor & meritorious students to purchase books & other educational aids, pay college fees, university examination fees and/or meet other expenses.

MAGAZINE

The college magazine is published annually by the students' union with the active encouragement and help of the teachers. It is designed so as to hone the talent of students. Besides, the department of Bengali & science departments publish magazines such as "Atmaprakash" & "Anuranan" respectively. Deptt. of botany publishes newsletter "Nabapallab". Department of chemistry publishes "Nibodhata" & deptt. of physics publishes "Galaxy" wall magazines.

NCC UNITS

There are two separate N.C.C. units for boys & girls. Joining the N.C.C. units helps students to be disciplined in life as it inculcates nationalistic feelings, besides developing their physical & mental faculties. N.C.C. cadets can also avail opportunities to join armed forces.

N.S.S. UNITS

There are two wings of the N.S.S. These units are very active. They have undertaken activities such as blood donation camp, science & health awareness programmes, water harvesting etc. Every year the NSS units adopt two villages for their out reach activities where they have undertaken measures like survey of the socio-economic condition of the villagers, construction of roads, digging tube wells, water harvesting and other community development activities such as health & hygiene awareness programmes, etc. N.S.S. students also maintain an arboretum in the college campus. Moreover, the college regularly organizes various extension programmes sponsored by the UGC.

HEALTH FACILITIES

Students of the college come under the scheme of the universal membership of the students' health home. The college also organizes regular health check-up camps for students with the help of visiting doctors.

SPORTING FACILITIES

The college has a well-maintained playground inside the premises. The sports committee organizes annual sports, regular football & cricket matches and other outdoor games for preparing students to participate in inter-college competition at the university as well as state level.

CULTURAL ACTIVITIES

Various cultural activities are held round the year. Annual cultural soiree, freshers welcome programme, debate, quiz & singing competitions are organized by the students' union with the help of the teachers. The science club and the explorers' club organize various educational programmes like seminars & exhibitions. There is an open-air stage where different programmes are held.

STUDENTS' UNION

The general secretary of the annually elected students' union is a member of the governing body of the college. It helps him to address their problems for the interest of students. Besides, the elected students form a council of secretaries to supervise different students committees like cultural, sports & games, magazine, etc. Mock parliament is held to make students aware about the parliamentary system of our country.

MEMASURES AGAINST POWER CUT

The college has three diesel generators (15 KVA, 30 KVA, 62.5 KVA) to take care of problems associated with power failure.

FACILITIES OFFERED BY DIFFERENT LABORATORIES

The commerce department is well furnished with adequate number of computers. Qualified faculties with the active support of the departmental teacher impart computer training. Besides, practical guidance is offered for office work. The physics department boasts of having laboratories for electronics, thermal experiments, light experiments a dark room and a general laboratories are also there for the advantage of students. All these laboratories are equipped with sophisticated instruments. The department of chemistry has four well-equipped laboratories. These laboratories are earmarked: one for physical chemistry with sophisticated instruments & computers, one for inorganic chemistry with chemicals and reagents for samples & solutions, one for organic chemistry with modern apparatus for synthesis, and another for preparation of one general laboratory and a room for keeping animals. A zoological garden will be introduced in future. The department of botany has two well-equipped laboratories earmarked with plant physiology & biochemistry laboratory & general laboratory. It also possesses a culture room wherein some locally available soil microflora is being cultured. "Unmilata" is the rooftop medicinal plant garden maintained by this department. A central computer laboratory is there for math/physics. The laboratory of the geography department is well furnished with instruments required for survey & mapping. There are geological stones & maps as well. The central computer laboratory is used by students of all science departments. The English language laboratory of the department of English has audio-visual aids to enrich the departmental students. They not only avail the opportunity of getting acquainted with different classic films (in video format) and plays & poems (in audio format) but also of developing proficiency in the English language. The laboratory is also equipped in teaching various nuances of phonetics.

EXCURSION

Departments of botany, zoology, geography, commerce regularly organize excursions with students. Expenses for excursions have to be borne by students themselves. Indemnity bond is a must for students going on excursions.

RAILWAY CONCESSION

Railway monthly concession facility can be availed by students. However, students have to ensure that the facility is not misused.

COMPUTERIZATION OF OFFICE

Students are benefited because the college office is computerized with all the necessary software available.

RULES AND REGULATIONS TO BE FOLLOWED BY STUDENTS

1. Students should bring with them their student's identity card to get into the college.
2. Duplicate identity card is issued on production of a copy of general diary at the police station & paying a fee for it.
3. Visitors are required to record their entry at the gate for any official purpose and may meet the teacher-in-charge on prior permission.
4. Abuses with the college in any form may invite disciplinary action that may go to the extent of expulsion from the college.
5. Misbehaviour with the girl students is a punishable offence & disciplinary action is obvious.
6. Students have to ensure 75% classes. If attendance falls below 75% a non-collegiate fee of Rs. 250/- is required to be deposited to sit for the univ. examination. Attendance less than 60% means dis-collegiate.
7. Tuition fees is to be given within the 3rd week of every month failing which a fine may be imposed.
8. Library cards for lending books are issued from the library on payment of requisite fees at the cash section.
9. A fine of Rs. 1/- per book per day is imposed for late return of books after three weeks.
10. Student may avail the opportunity of book bank by taking membership.
11. At the time of admission a student has to pay all the yearly fees (univ. + college) along with three (30 months) tuition fees. Geography honours students have to pay course fees plus all the yearly fees. Examination fees are extra.
12. Computer receipt of any payment is required for any claim.
13. Students may opt for NSS/NCC or for both.
14. Opportunity is there to avail stipend for bona fide SC/ST/OBC students.
15. Students are required to keep their mobile phone in silent mode while in the class.
16. Loitering in front of classes is forbidden.
17. Students have to replace book/books in case of loss/mutilation/tearing.
18. Misbehaviour with teachers/employees/fellow student may invite disciplinary action.
19. Student should follow class routine for their class. Alteration of the scheduled classes is beyond the capacity of anyone other than the teacher-in-charge.
20. Students are required to follow notice circulated time to time at the college.
21. Assessment tests are mandatory for all the students.
22. Students may avail railway concession. Enquiry in this regard is to be made at the office.
23. Visit us on www.ranaghatcollege.org.in

COLLEGE HOURS

The college runs its teaching programmes in two shifts: Morning & day. The teaching in the morning shift (7 am to 11 am) is for the B.A. (general) only while the day-shift (11.15 am to 5.15 pm) involves mostly honours teaching in science, arts & commerce as well as general courses for all these three streams.

Education is not the amount of information that is put into your brain and runs riot there, undigested all your life. We must have life-building, man-making and character-making assimilation of ideas.

– Swami Vivekananda
